

Park Avenue™

Our classically styled Park Avenue™ series offers versatility and low maintenance. The sand cast aluminum frames are modular allowing you the opportunity to choose the arrangement that best suits your needs. The Park Avenue™ series is available in five, six and eight foot lengths and a variety of colors. Polyester coating on the frames and the use of Select™ recycled lumber for the slats provide benches, seats, picnic tables, and trash receptacles of the highest quality and lowest maintenance possible.

Park Scares™

For a conventional design that fits any park and recreation application, choose our Park Scares™ series. These low maintenance seats, benches and picnic tables are available in five, six and eight foot lengths and a variety of colors. Featuring a powder coated finish on the heavy-duty steel frames and Select™ recycled plastic lumber slats, the Park Scape™ series will look great for years to come.
